For years we have been a leader in Paris travel sales in the USA as well as custom France programs for groups such as University and School Group Travel, affinity group travel like Arboretums and antique buyer groups, and many others. We have adapted to market conditions and now can arrange almost any custom itinerary with special requests and interests. We pride ourselves in providing excellent customer service to our clients as well as unique experiences all over France whether it's for a couple or a group of 70-80 people. The brand is owned by Pure Adventures, an adventure travel operator focused on cycling and hiking tours.
